

The container load is worth \$500,000.  
How much is it worth to train  
a safe pair of hands?

Well-trained employees are an asset. They have better skills, so they're safe and more productive on the job. They're also motivated and responsible – a dependable pair of hands for your customers' valuable goods. In short, quality training means better employees, which means better business. It's an investment you'll never regret. Talk to Tranzqual about the best training programme for your company. Call 0800 4 QUALS (478257).
